

Agile Message Notification Board

Agile is pleased to announce a new and easier way to send notes to your staff using the **Agile Message Notification Board**. Messages can be added with an expiration date that will appear to your staff when they log in. They can also click on the **Notices** button to see all of the past notes. This is a perfect way for Administrators and Box Office Managers to send event, front of house, fan club, and customer notes to your staff.

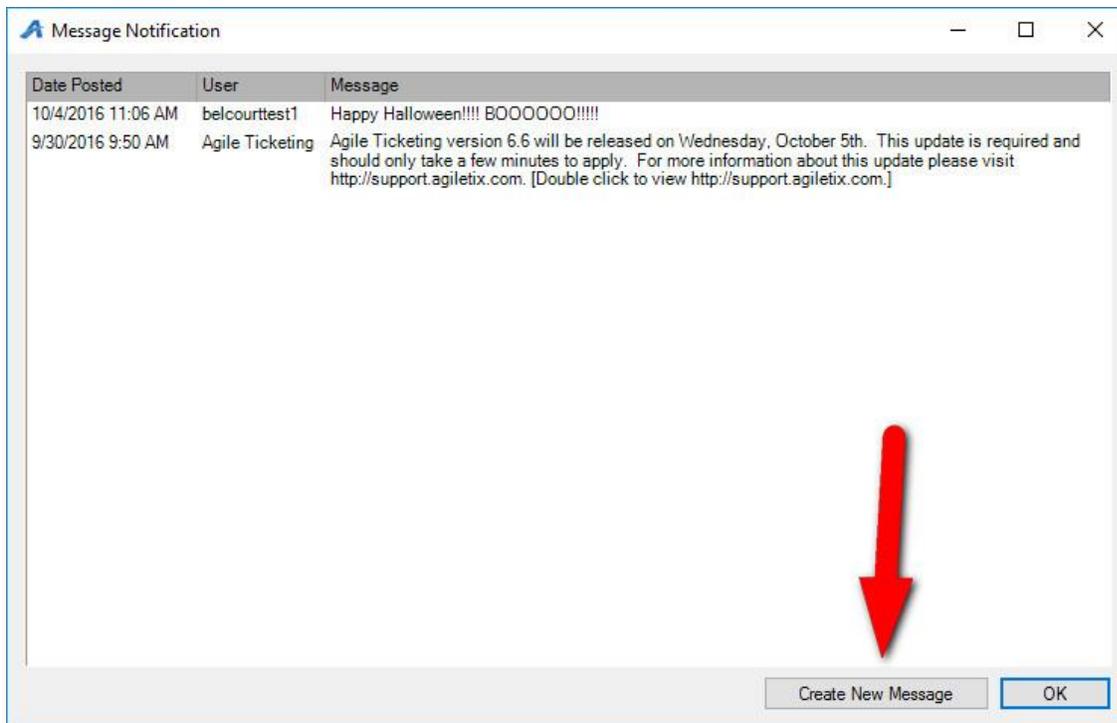

1. Log into Sales.

2. Click on the **Notice** icon  in the upper right-hand corner of the screen.

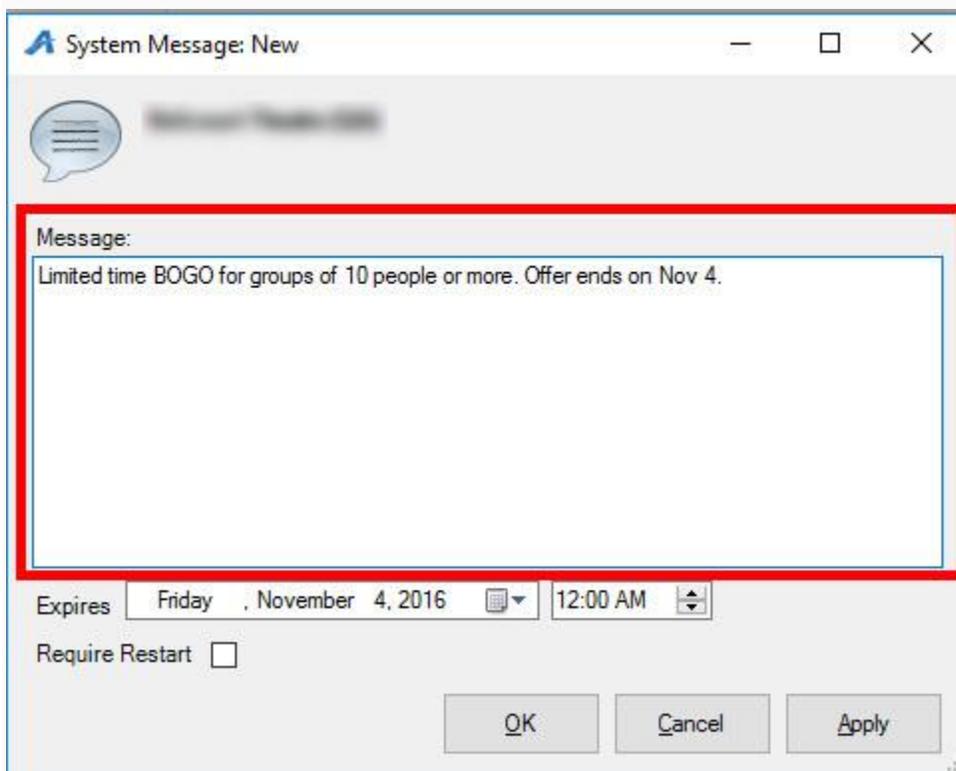

The screenshot shows the Agile Ticketing software interface. The top menu bar includes options like File, View, Action, Ticket Printer, Sales Mode, Support Functions, and Help. Below the menu bar, there are several icons for navigation, including Sales, Maintenance, Point Of Sale, Clear Order, Override, Customer, Member, Remove, Contact, Item List, and Payment. A red arrow points to the Notices icon in the upper right-hand corner of the screen. The main content area is divided into sections: Regional Bulletin Board, Corporate Bulletin Board, and a search bar. The bottom of the screen displays order information, including Order #, Item Count, Subtotal, Ticket Fees, Service Fees, Order Fees, Delivery Fees, Donations, Tax, Order Total, and Balance Due.

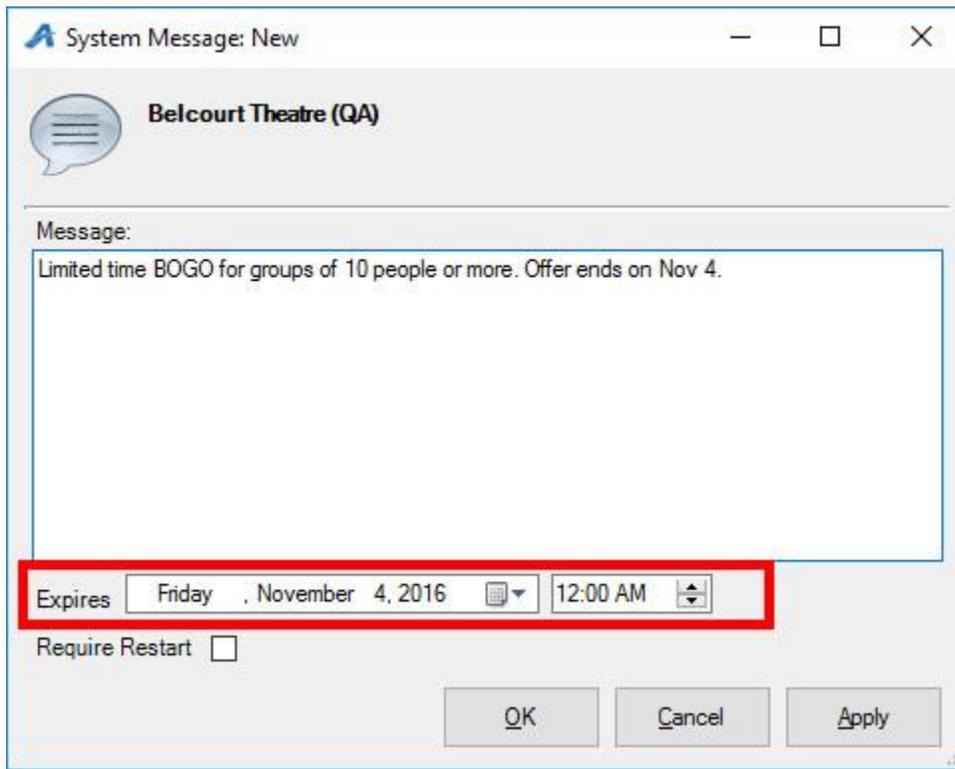

3. Click the **Create a New Message** button at the bottom of the pop-up.

4. In the **Message** field, type the message you wish to share with all of your staff.

5. Set the **Expiration Date and Time** you wish for your message to expire, and click **OK**.

5. When your box office staff logs into Agile the message window will pop up with the notification.
